The Penguin's season had a great start with the Blue vs. White meet. It was a fun learning experience for the swimmers, coaches and parents.

It helped make the first meet of the season against Fairway Farms run smoothly.

Unfortunately, the recent home meet against Newburgh was rained out. It

has been rescheduled for Sat. July 11th. For more info, visit the [Swim Team Page](#) on the web site.

FROM THE PRESIDENT

We have had a great start to the summer season at Northville Swim Club - Welcome Back to all.

Our Social team and Aquatics folks have a wonderful summer underway, see the club [web site](#) for the calendar and all the details. We are pleased to report that the Super Sunday Ice Cream Social last Sunday afternoon was a big success. If any member has an idea for an new event or offering, please talk with a Board member, we want to have as many fun events as possible through the summer. We just need volunteers with energy.

The club is available for all the members and their guests to enjoy. To keep things running smoothly, please follow the rules and instructions from the managers, life guards, coaches and staff.

Please keep in mind that you and your family members are all part owners of the club, and we should ALL treat it with respect. Unfortunately, we have already had incidents of minor vandalism in the locker rooms this year. Within 24 hours, two major clean ups of soap and toilet paper were needed in the boy's locker room. We have also had a number of "Floods" in the girl's locker room initiated by our members or guests. If you see anything that doesn't look right, please contact the manager.

We are also interested in what you think of the improvements at the club, especially in the women's locker room. As always, feel free to contact me with your questions, suggestions, ideas and issues, at president@northvilleswimclub.com.
