Private Party Policy & Agreement

PLEASE READ & SIGN BELOW

- A "Private Party" is defined as being outside of normal pool operating hours (which are open to the general membership), but during the scheduled season. Non-private parties held during pool hours are subject to Board Manager approval and are limited to 25 guests.
- Our updated private party pricing covers lifeguards, pool heating and water maintenance/testing, set-up, and clean-up for a 3 hour private party:
 - \$250 base price includes admission for 20 participants and 4 adult chaperones for 3 hours.
 - *For parties longer than 3 hours, add \$50 per additional hour.
 - *For parties of more than 20 participants, add \$5 per additional participant.

*May be paid in cash or by check on the day of your party.

- The party price covers the cost of admission for one adult chaperone for every five children. If your group is mainly comprised of children younger than 15, we ask that you send a minimum of one chaperone per 15 children. Chaperones may arrive 15-30 minutes early for setup if pool staff is notified at least 24 hours beforehand.
- Private Party pricing remains the same regardless of whether the party guests are members of Northville Swim Club. An NSC membership is not required to book a Private Party.
- All pool rules and regulations will be enforced. For an updated list of pool rules, please consult the Northville Swim Club website www.northvilleswimclub.com
- **Northville Swim Club is not responsible for any injuries (up to and including loss of life) incurred while on NSC property, or as a result of visiting NSC, including injuries that arise as a result of negligence, gross negligence, communicable disease, or intentional torts. Similarly, Northville Swim Club is not responsible for theft or damage to property that occurs on or near Northville Swim Club.** All Pool Rules must be followed, and a Liability Waiver must be on file for each party participant and chaperone. NSC reserves the right to disallow any guest from continuing to use NSC facilities for any and all reasons in the sole discretion of NSC staff. NSC further reserves the right to end or cancel any party at any time and for any reason. In the event of cancellation due to no fault of the reserving party/organization or its members, any monies paid will be refunded completely.
